Copy of letter No. 1555/A4/53 dated 12th August, 1953 from the Inspector General of Prisons, Madras to the Secretary to Government, Home Department.

Sub: DERATIONING - Government institutions - Charitable institutions etc. Supply of rice from Government stocks - Orders issued.

Ref: G.O. No. 1193, Food & Agriculture Department, dated 27.7.1953.
2. Board's Ref.94961-U4/55 CS dated 1.8.1953.

I enclose herewith, a copy of G.O. and the Board's letter cited above for information and early orders of Government.

2. The Board in its Ref.No.160205 U4/52 CS dated 5.1.1953 had issued instructions that on and from 26.1.1953 certain Heads of Departments should make their own arrangements for the purchase of food grains required by them. I had accordingly instructed the Superintendents of Jails and Borstal School, Palayamkottai to obtain their food grains from the local co-operative stores. The prisoners are given the scale of rations prescribed in G.O. No. 541, Home Department, dated 28.1.1949, according to which labouring prisoners are to get 8 oz., rice and 8 oz., of millets and non-labouring prisoners 8 oz. of rice and 6 oz. of millets.

3. With reference to the orders issued in the G.O. cited above there is no objection to obtain the food grains from the Government stocks instead of from the co-operative stores, if the jails and Borstal Schools are permitted to draw rations at the scale prescribed in the G.O. No. 541, Home, dated 28.1.49. I therefore request that the restriction imposed in the G.O. that the rice content of the ration should be 4 oz., of rice and 8 oz., of wheat should not be made applicable in the case of Jails and Borstal Schools.

4. I request early orders of Government in the matter. Pending receipt of orders of Government, the food grains will be obtained from the Co-operative Stores at the rate of 16 oz., (8 plus 8) for labouring prisoner and 14 oz. (8 plus 6) for non-labouring prisoner.

Copy of letter No. 1555/A.4/53 dated 9.9.1953 from the Inspector-General of Prisons, Madras to the Secretary to Government, Home Department, Madras.

Sub: DERATIONING - Government institutions - Charitable institutions etc. - Supply of rice from Government stocks - Orders - Regarding.
Ref: Government Memorandum No.165040 Prisons I/53-1, Home Department dated 29th August, 1953.

There is no objection to draw rations from the Government stocks upto the limit allowed in G.O. No. 1193, Food and Agriculture Department, dated 27.7.1953 and purchase the balance of requirements from Co-operative Societies but there will be disparity in the quality of cooked food which is likely to cause discontent among the prisoners. Further, the purchase of the foodgrains from the Co-operative Stores will result in a a loss to Government as their prices are higher than the prices for which foodgrains can be obtained from the Government stocks.
